CONFERENCE YESTERDAY

One of Great Interest—Eminent Divines Here From Every Section of Kentucky, Ohio and Other States

At the opening of the first day's session of the Methodist Episcopal Conference at Scott's Chapel in this city yesterday the usual routine of the actions of the first day, were deviated from and before the administration of the Lord's Supper some very helpful remarks were made by Bishop Cranston leading up to the point where religious fervor characterized the whole people. This was so rich in its spiritual profit that comes through the explanation of the Word of God by the inspiration of the Holy Ghost that in the days to come, which shall be the history of the Church life in this city, those who were present will not forget these memorable moments.

The Welcome Address delivered by the Rev. Mr. Arnold of the First Baptist Church on behalf of the Ministers of the city was filled with much thought and interest.

Dr. J. W. E. Bowen of Gammon Theological Seminary at Atlanta, Georgia, having been introduced to Conference, said that thought rules the world and that men who do not think have no business to be in authority of the land.

Conference organized by electing the following officers:

Secretary—J. W. Robinson, Covington.
Assistants—J. B. Redmond, Cincinnati; W. H. Riley, Lexington; S. A. McNeal, Oberlin, O.; W. S. Noel, Cloverport, Ky.

Statistical Secretary—W. H. H. Rentfrow, Bowling Green.

Assistants—H. H. Hinton, Connersville, Ind.; J. H. McCoomer, Portsmouth; W. C. Stovall, Chicago.

Treasurer—E. L. Gilliam, Columbus.
Assistants—R. B. J. Coleman, Mt. Sterling; R. B. Buford, Paris; T. R. Fletcher, Portsmouth; R. F. Broadus, Maysville.

The annual missionary sermon was then preached by Rev. H. A. Foreman of Princeton, Ind.

The various publishing houses having declared a dividend out of the profits of last year's business amounting to \$125,000, which is divided among the conferences for the benefit of the superannuated members and the widows and orphans, this Conference's share amounted to \$1,450, which was received.

Treasurer Gilliam, at the conclusion of the several addresses and sermons, announced that he had collected yesterday afternoon \$2,000 from a number of Churches represented here.

Today's sessions will be taken up by statistical reports from the various District Superintendents.

Some of the General Conference officers present are the following:

R. E. Jones, D.D., Editor Southwestern Christian Advocate, New Orleans.

Dr. J. W. E. Bowen, President Gammon Theological Seminary, Atlanta, Ga.

Dr. E. W. Jones, Board of Sunday-schools, Central Alabama Conference.

I. Garland Penn, General Secretary Epworth Leagues, Lynchburg, Va.

Dr. J. W. Lucas, Field Secretary Foreign Missionary Society.

Dr. J. P. Ragg, Field Agent American Bible Society.

The program for today's session of Conference will be:

8:30 a. m. Devotionals—Bishop Earl Cranston.

9:00 a. m. Conference Session.

2:30 p. m. Conference Sermon—Rev. G. A. Siale, Cleveland, Ohio; Alternate, Rev. D. R. Hickman.

8:45 p. m. American Bible Society—Rev. W. H. H. Rentfrow, presiding.

Address—Rev. J. P. Wragg, D. D., Atlanta, Georgia.

"My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

FEROCIOUS BULLDOG

Attacks Fine Saddle Horse—Exciting Time in East Second Street Yesterday

When Emerson wrote— "Stalk to your aim, the mongrel's hold will slip But outly crow bars loose the bulldog's grip." he drew a little pen-picture of John Breslin's bulldog.

Yesterday morning about 8 o'clock, Fred Singleton, who works in the livery stable of Melone & Gallenstein in West Second street, went to his breakfast and rode a fine \$200 sorrel horse, three years old. Singleton hitched the horse in front of the Breslin home in East Second street, below Limestone, and was in the act of turning away, when Mr. Breslin's English bulldog sprang through the half open door and made a vicious attack upon the helpless animal. The big dog, with teeth and claws, dug into the horse's flank, bit the right fetlock nearly in two, and the right hind hoof and fetlock to the bone, haring the flesh, muscles and tendons in a terrible manner. Singleton and others did all they could to keep the maddened dog from the horse and Mr. Dickson knocked him down and out with a club, but the dog came back at the horse again and again, until the excited horse in struggles to defend itself kicked the brute a thumping lick in the side and the dog was finally gotten away.

The horse, a fine animal, is being carefully treated by his owners, but it is not yet known whether or not it will survive the chancing up it got.

We understand Mr. Breslin killed his dog last night.

INSURANCE SUIT Vice-President C. D. Pearce Denies Charges Made By Stockholder

At Louisville, William G. Ran, suing as a stockholder in the Citizens' Life Insurance Company and asking to be allowed to sue for other stockholders, filed suit Tuesday against the Citizens' Life Insurance Company and the Citizens' National Life Insurance Company. By the suit he seeks to have the Court enjoin the carrying out of the proposed merger of the two defendant companies; to bring the officers and Directors of the Citizens' Life into Court to stand oral examination of the affairs of the Company; to bring the books of the Company into Court to see if the Company is solvent and if insolvent to have a Receiver appointed to take charge of its affairs and wind up its business.

The plaintiff charges fraud, mismanagement and extravagance, and also alleges that the officers and Directors have been negligent in investing funds, permitting them to remain in Banks for long periods, the Banks being those in which the officers and Directors are interested, citing among other institutions the State National Bank of this city, which holds deposits of the Company amounting to \$24,677.32.

Mr. Charles D. Pearce, Vice President of the Insurance Company, denies the charges and makes a very satisfactory statement of the Company's affairs.

Black Fabric Skirts

There is much diversity in the materials, and beside fabric variety there are ample proportions, good making, pretty styles, moderate prices.

HEATHERBLOOM—Black, umbrella ruffle with small ruffle at the edge, \$1½ to \$3½. This fabric has the rustle and light weight of silk combined with the durability of cotton.

MERCERIZED—Deep circular ruffle, cluster plaited. The splendid wearing qualities of these undershirts make the price seem infinitesimal. \$1, \$1.25, \$1.50. Black only.

TAFFETA PETTICOATS—A new lot just received. Beautiful quality of taffeta in solid colors. Chiefly made with percaline dust ruffle, as practical women demand that protection against wear. All colors. Price \$5.

The white and cream nets show very novel effects in tucks and lace insets. Prices vary from 50c to \$5. The assortment is very broad, fully fifty different pieces.

Gloves

The new Suit must be finished with new Gloves. Nowhere can selection be easier or more satisfactory than in this stock. Don't buy until you see it. A broad assortment. \$1, \$1½.

Judge W. H. Rice has an eye to the financial welfare of the county as well as otherwise. The other day County Clerk W. P. Dickson received a bill from the Bradley & Gilbert Co. of Louisville that bore the earmarks of being an overcharge. The bill amounted to \$40, which the Judge returned with a few plain remarks for correction. The firm sent an explanatory reply and a discount of \$10 from the original bill, all of which goes to show that it pays to keep your eyes open.

SUNDAY MAIL

New Regulations Made For the Post-office in This City

In order to allow employes more time for Church services and rest, Postmaster Mathews has, with the consent and approval of the Post-office Department, decided to open the General Delivery to Carrier Windows at the Postoffice only between the hours of 12 m. and 1 p. m. on Sundays.

Patrons, if prompt, can be easily accommodated in this time.

No collection of mail from street boxes will be made on Sundays. The amount of mail deposited in these boxes for Sunday collection is small and the Department has decided the collection unnecessary.

Both orders will become effective April 2d.

A FAMOUS philosopher said: "Let me write the songs of the country and I care not who writes the laws." Superintendent of Public Instruction CRABBE no doubt had the epigram in mind when he composed "Kentucky Schools," the new school song just issued. Prof. CRABBE wrote both the words and the music and dedicates the stirring new composition to the "Boys and Girls and the Commonwealth." We have not "tried it on our piano," but the new song and air are both o. k. and ought to be catchy and popular. Mr. CRABBE, in his accomplished enterprise and versatility, is one of the State officials that reflects credit upon his office, calling and his constituents. Long may he flourish and continue in office.

He has THE LEDGER's sincere thanks for a copy of the new song and also a copy of a little, beautiful brochure entitled "Kentucky Arbor and Bird Day," which is one of the most valuable contributions to the cause of education we have yet seen and is a timely volume of intrinsic merit and beauty.

THE HON. GREEN R. KELLER, the sapient, conservative, versatile "and venerable" Editor of The Carlisle Mercury, who was reared on official pap and nurtured on the Democratic bottle (who meant booze?) and who spent the winter at Frankfort as a "looker-on-Vienna," knows all about the ins and the outs of Kentucky politics and can see through the average brick wall about as clearly as the best of us, hands out the following laconic pointers which exemplify the status of the average "anti-saloon" (?) selon who goes to the Legislature:

I want to tell the anti-saloon people a solemn fact or so, and I don't want them to get mad at me for it. There are not twenty-five real, earnest anti-saloon people in the General Assembly. They are voting for the County Unit Bill through fear or because of a promise forced from them during the campaign, and when they learn that one can be elected without making pledges and that the voting powers are not so strong as represented, then look out.

When it comes to whisky or no whisky I wish there was not a drop on the earth, but when it comes to saying whether whisky shall be sold with or without license I am of the opinion that high license and strict regulation in time will be adopted.

SOFTNESS OF SEALSKIN.

In Revived by Human Hair Where Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

The month of March is now eligible to enter the May and June class. The present March came in like a lamb and is going out in the same gentle manner. The weather during the entire month has been ideal and without the usual blasts of Boreas which makes March an undesirable month.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its masses are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. See that you get what you ask for.

Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows: "When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J. "I have been using Danderine regularly. When first started to use it I had very thin hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other one preparation, regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

FREE To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the KNOWLTON DANDERINE CO., CHICAGO, ILL., with their name and address and ten in silver or stamps to pay postage.
